Richard Cox House is more than a care home, it's a place to enjoy life in a warm, friendly and caring environment. A place where you have the freedom to be who you want to be, either independently or with our support. We understand that you are not trying to change your life, just your home, that's why all the things that are important to you matter to us too. As part of a not for profit organisation you can rest assured that your care at Richard Cox House is our number one priority.

Your Home

Situated in Royston, Richard Cox House is a smaller, cosy home with a warm and homely atmosphere, where you will have the freedom to enjoy the privacy of your own bedroom, or to share your time with others in our wide range of communal areas including lounges, dining rooms, cosy corners and more. If you like to enjoy the outdoors, the spacious garden benefits from a large patio, wildlife pond and landscaped lawns with cosy seating areas.
